

Here's our why

Experiences are our greatest teacher. First Tee believes in developing experiences that are just as fun as they are meaningful, where kids feel excited to grow, safe to fail, and better equipped for whatever comes their way next. Through our golf-based personal growth programs, we see kids build life and leadership skills that empower them in all areas of life, including school, friendships and eventually careers.

Volunteer with First Tee - Greater Pasadena

**Join our team and make an
impact the lives of youth in your
community**

At First Tee, we help kids discover what's inside of them, guide them to strengthen it and mentor them to put it into action in everything they do.

To do this, we need enthusiastic and caring individuals to serve as positive mentors and role models to kids and teens of various backgrounds. Our coaches' ability to develop impactful relationships with our participants is the backbone of our program.

Volunteers at First Tee - Greater Pasadena are part of an outstanding team. As a volunteer, you will experience first-hand how our youth development program uses golf as a vehicle to teach life skills, and in return gain a sense of satisfaction and pride knowing you are positively impacting the lives of youth in your community.
